RE: Clarification of Administrative Expenses
Election Year 1994 and 1996
ID# C00296640

Dear Sirs:

This to clarify our organization's limited administrative expenses for the '94 election year and the upcoming '96 election cycle. This organization was just established in May 1994 and is still a relatively small committee.

All fundraising activities handled last election cycle and during this election cycle will be done by a fundraising consultant who will be paid a salary upon services rendered.

Because of this fact, there will not be administrative expenses for rent, utilities, phone, office equipment, etc. Our administrative expenses will primarily consist of a consultant salary.

For the 30 Day Post-General Report, the returned contribution from Mitt Romney for US Senate has been properly disclosed on a separate Schedule B to support Line 23 of the Detailed Summary Page. Also corrected is a page 1 of 1 for Line 29 and a corrected detailed summary page which were affected by having this entry on the wrong categorization.

This should clear up any questions about the above reports.

Sincerely,

Bill Eubank
